

SEABURY JOB ANNOUNCEMENTS

FEBRUARY 2012

SEABURY is a premier Life Care community located on 66 acres of beautiful Connecticut countryside. We have a comprehensive continuum of care and services that include Independent Living, Assisted Living, Skilled Nursing, Rehabilitation Services, a Home Health Agency, Wellness Clinic, and a Center for Successful Aging. In addition, we offer Seabury At Home, an innovative, home-based life care program designed for individuals who prefer to remain at home as they age. As a free standing not-for-profit Continuing Care Retirement Community, Seabury is committed to providing excellence in health care, services, and accommodations with an emphasis on a "Wellness for Life" philosophy.

Seabury, a life care community, is seeking qualified candidates for the following positions:

CNA – Per Diem for Assisted Living. Provide assistance to residents on Seabury campus. Knowledge of assisted living services preferred. Valid CT CNA license and 1+ years experience working with seniors required. May assist with transportation as needed.

Weekend CNA – SNF, 3-11 shift; 2nd & 4th weeks of month. Experienced CNA to provide quality resident care under the direct supervision of RN. Must have excellent interpersonal and communication skills to interact with residents, families and visitors. Minimum 1yr experience and valid certification required.

Healthcare Server – 20 hours/week. Flexible hours between 6:30am – 7pm. Must be able to work both Saturday and Sunday shifts. Communicates and delivers proper menu selections in accordance to dietary plan. Ensures quality dining experience through exceptional customer service; strong attention to detail is required.

Per Diem Registered Nurse – SNF. Registered Nurse to work as needed on skilled unit for 3rd shift. CT RN license, experience in long term care facility and working with senior population is required.

Personal Care Assistants – Per Diem. 3-hour minimum assignments. Provides companionship, homemaking and transportation to appointments or errands. Requires 1-2 years experience in private duty or homecare environment. Valid CT drivers license and reliable transportation. Must be willing to travel within the Greater Hartford area (includes: Avon, Canton, Farmington Granby, Simsbury) State CNA license preferred.

RN Case Manager (Seabury Visiting Nurses) - Per Diem. Plans and implements patient care as well as admission and treatment visits. Reliable transportation to travel within the Greater Hartford Community. Valid CT driver's license, CT RN licensure and home care experience required.
