To our Seabury family,
From Grace Van Nostrand's family

How do we begin to say thank you? How do we even begin to express our appreciation? Words will fail us as we make our feeble attempt to try to convey what is in our hearts...

To all the staff members who helped care for our mom, Grace Van Nostrand, there are too many to count, too many of you to list, but we hold each of you in our hearts. Thank you for the many kindnesses you showed mom; those small and large acts of kindness and caring, both seen and unseen, day after day, night after night, whether it was the middle of your break, your dinner, whatever.

Thank you for the special care – the glass of ginger ale, the cup of ice; tuning in the radio, turning on the T.V; turning down her bed just so, doing her nails, combing her hair, bathing her, brushing her teeth; marking her calendar, picking out an outfit that matched, doing her makeup and getting her ready for family outings and the list goes on and on ...

May the gentle care and concern you bestowed on our mother be returned to you and your family.

We cannot thank you enough, even with a thousand Thank You's. We appreciate you all and will miss you and your kindness to us as well.

Thank you, thank you, thank you.

God bless you all.

Grace's daughters and families,

Eileen Plante
